

| Item No. | Part No. | Description                                            | Qty.    |
|----------|----------|--------------------------------------------------------|---------|
| 1        | 55-106   | Adapter 3/4 MP x 3/4" FGHT                             | 1       |
| 2        | 55-212   | Hose Coupling 3/4 MPT x 1/2" HB                        | 1       |
| 3        | 24-203   | Bandit Hose Clamp #JS203                               | 2       |
| 4        | 11-380R  | Horizontal Hose Reel Bracket                           | 1       |
| 5        | 81-500   | 1/2" ID, 800PSI, Per Foot                              | Specify |
| 6        | 11-380L  | Horizontal Hose Reel Bracket                           | 1       |
| 7        | 11-262   | Vertical Hose Reel Bracket<br>(PCO50and PCO100 Models) | 2       |
| 7        | 11-375   | Vertical Hose Reel Bracket (TM100)                     | 2       |
| 7        | 11-376   | Vertical Hose Reel Bracket (TM200)                     | 2       |
| 7        | 11-377   | Vertical Hose Reel Bracket (TM300)                     | 2       |
| 8        | 55-211   | Hose Coupling 3/4 FGHT x 1/2" HB                       | 1       |
| 9        | 55-107   | Adapter 3/4 MPT x 3/4" MGHT                            | 1       |
| 10       | 60-324   | Ball Valve 3/4"                                        | 1       |
| 11       | 50-501SS | Close Nipple 3/4", SST                                 | 2       |
| 12       | 50-520SS | Tee 3/4", SST                                          | 1       |
| 13       | 50-580SS | Plug 3/4", SST                                         | 1       |
| 14       | 11-401   | Spray Gun Holder                                       | 1       |

**Note: If your hose reel installation requires drilling into the tank, the tank interior **MUST** be vacuumed and flushed prior to operation. Failure to do so will cause clogging of the system's filters and screens.**

**SDI Hose Reel  
Mounting Bracket  
Part #81-131**
