Mounting Instructions:

- 1. Mounting hole dimensions are approximate, If another location is desired place the hose reel in the desired location on the tank and mark the hole locations.
- 2. Drill (4) 3/4" holes in tank to match the hose reel.
- 3. Insert the well nuts through each hole.
- 4. Line up the holes in the hose reel base with the holes you have drilled in the tank and bolt into place.
- 5. Install additional plumbing and connect hose to hose reel.
- 6. Install the gun holder in a convenient location.
